ORDER:

With reference to the resolutions passed at the 23rd Andhra Provincial Ayurvedic Conference held at Vuyyur, Kistna District, the President, Andhra Vaidya Sammalanam is informed as follows:-

(1) Reducing the minimum educational qualification for admission into the Colleges of Indian Medicine: The Government do not consider it necessary to alter at present the qualifications prescribed for admission of students into the College of Indian Medicine.

(2) Delay in starting Colleges of Indian Medicine: The Government have sanctioned the opening of a College of Indian Medicine and a Research Department at Madras and have deferred the question of opening colleges on linguistic basis.

(3) Appointment of 'B' Class practioners in local board services permanently: The Government have decided that the distinction between 'A' and 'B' Class practitioners should be maintained as before subject to any orders which the Government may pass from to time regarding the qualifications etc. which practitioners shall possess for inclusion in the two classes 'A' and 'B'.

(4) Making arrangements for the supply and easy availability of drugs and minerals. The association may become a member of the Madras Indian Medical Practitioners Co-operative Pharmacy and Stores Ltd., Madras from which stores drugs and minerals required for the preparation of Ayurvedic medicines, can be obtained.

(5) Registering of Ayurvedic practitioners: The request of the association is not clear.

(6) Chalking out a syllabus for the L.I.M. course in consultation with Andhra Vaidya Mandali - As the school of Indian Medicine has been converted into a College, there is no necessity to revise the syllabus.
